- Please submit questions in the GoToWebinar chat box

- GoToWebinar Support: (877) 582–7011
Welcome

- Thank you for joining in today
- Informal time today, a chance to get to know each other and how our IRs are being used at our institutions
- bepress will be joining us
How many time zones are represented today?
Advocate Health, Aurora Health Care, Baptist Health South Florida, Baystate Health, Beaumont Health, CentraCare, Children's Mercy Kansas City, Henry Ford Health System, MaineHealth, Parkview Health, Providence St. Joseph Health, bepress, Moravian College
Tell us about yourself and your IR (5 min each)

- How long have you had your IR?
- What’s working well? Your biggest success?
- What could be better?
- Future plans?
- What departments/groups are you working with?
This repository supports Aurora Health Care's mission to help people live well, by collecting, sharing, and preserving the scholarly research and output of affiliated team members. It will also serve as an archive to shed light on our past, chronicle our present, and sketch the future of Aurora Health Care.

Healthcare inspired by you. Because we believe care should be built around just one person: You.
Scholarly Works was created to collect, share and preserve the scholarly materials produced by Lehigh Valley Health Network. This is part of our mission to heal, comfort and care for the people of our community by providing advanced and compassionate health care of superior quality and value, supported by education and clinical research. Scholarly Works is a service of Lehigh Valley Health Network’s Library Services.
