Champagne R. Role of palliative care: how to discuss prognosis with patients? Breakout session. Presented at Milwaukee Heart Failure Symposium, May 5, 2018, Milwaukee, WI.
Purpose
Heart failure is the progressive stage of most cardiac diseases. As the only cardiovascular disease rising in incidence, prevalence and mortality, the treatment for heart failure has changed dramatically and become more complex in the past 10 years. In this symposium, we will present up-to-date knowledge to help clinicians and allied health providers identify, evaluate and treat heart failure and related conditions.

Audience
This symposium will be of value to Cardiovascular Surgeons, Cardiologists, Internist, Internal Medicine, Hospital Medicine, Family Practice, mid-level providers, allied health professionals and subspecialty trainees. It will also be of interest to Internal Medicine, Hospital Medicine, Family Practice, mid-level providers, allied health professionals and subspecialty trainees. It will also be of interest to health professionals and subspecialty trainees. It will also be of interest to

Objectives
All the end of this course, participants should be better able to:
• Encourage application of primary and secondary preventive measures to reduce the incidence, prevalence and the economic burden of heart failure
• Know the most current evidence-based diagnostic & therapeutic strategies in heart failure & pulmonary hypertension
• Highlight innovation in the field of advanced heart failure
• Understand prognosis and outcomes of various treatment strategies employed in managing heart failure.

About Milwaukee
Milwaukee is the largest city in the state of Wisconsin. Well known for its brewing traditions, Milwaukee is experiencing its largest construction boom since the 1960s. Major new additions to the city in the past two decades include the Milwaukee RiverWalk, Wisconsin Center, Miller Park an expansion to the Milwaukee Art Museum, and the Milwaukee Repertory Theater. The Wisconsin Entertainment and Sports Center is scheduled to open in 2018. Most of these sights are within walking distance to the symposium.

Milwaukee is home to first-class entertainment and performing arts, unique museums, great restaurants and miles of lakefront, and that’s just the beginning. Come and see for yourself!

Course Directors
Nasir Z. Sulemanjee, MD, FACC, FHFAA – Clinical Adjunct Associate Professor*; Program Director, Advanced Heart Failure Fellowship, Aurora St. Luke’s Medical Center, Aurora Health Care, Milwaukee, WI.
Vinay Thohan, MD, FACC, FASE – Clinical Adjunct Professor*; Director of Advanced Heart Failure & Transplantation, Aurora St. Luke’s Medical Center, Aurora Health Care, Milwaukee, WI.
Frank Drapeau, MD – Surgical Director, Heart Transplantation and Mechanical Circulatory Support, Aurora Health Care, Milwaukee, WI.
Keynote Speaker: Barry H. Greenberg, MD, FHFAA – Director, Advanced Heart Failure Treatment Program Professor of Medicine, UC San Diego Health.

Faculty
Tarun Bajwa, MD, FACC, FSCAI – Associate Head, Cardiovascular Disease Section, Director, Cardiac Catheterization Laboratory, Director, Interventional Fellowship Program.
Bozenna Champagne, ANP-BC, APN – Nurse Practitioner, Aurora St. Luke’s Medical Center, Aurora Health Care, Milwaukee, WI.
Omar Cheema MD, FACC – Advanced Heart Failure and Transplant Cardiologist, Aurora St. Luke’s Medical Center, Aurora Health Care, Milwaukee, WI.
John Crouch, MD – Cardiothoracic Surgeon, Aurora Medical Group, Aurora St. Luke’s Medical Center, Aurora Health Care, Milwaukee, WI.
Asad Ghafoor, MD – Advanced Heart Failure & Transplant, Cardiologist, Aurora St. Luke’s Medical Center, Aurora Health Care, Milwaukee, WI.
Eric Roberts, MD – Advanced Heart Failure & Transplant Cardiologist, Aurora St. Luke’s Medical Center, Aurora Health Care, Milwaukee, WI.
Dianne L. Zwicke, MD, FACC, FACP, FCCP – Professor of Medicine*, Cardiologist, Professor of Medicine*, Cardiologist, University of Wisconsin School of Medicine & Public Health, Milwaukee, WI.

*University of Wisconsin School of Medicine & Public Health
SESSION 3: Advanced Heart Failure
Moderator: Nasir Sulemanjee, MD
1:15 p.m. Advance Heart Failure Therapies: When to Refer & Why? Vinay Thothan, MD
1:40 p.m. Percutaneous Mechanical Assist Devices: Indications & Outcomes? Tarant Bajpai, MD
2:05 p.m. Mechanical Circulatory Support and Cardiac Transplant in 2018 Frank Downey, MD
3:30 p.m. To Pursue Advanced Heart Failure Therapy or NOT? A Case Based Discussion
Ocean Holcik, MD; Faiz Asad Ghofar, MD
3:30 p.m. Panel Discussion with Moderator and Session Speakers
3:10 p.m. Break & Exhibits
SESSION 4: Breakout Sessions (choose one)
A Practical Issues with Heart Failure
3:30 p.m. Heart Failure Management: Strategies to Improve Quality & Metrics Kristy Sadik, NP
1:40 p.m. Advanced Heart Failure: Journey from Patient Perspective Chad Rockers, RN; Thomas Hawkins, MD
4:10 p.m. Role of Palliative Care: How to discuss prognosis with patients? Rose Champagne, NP
4:35 p.m. Panel Discussion with Moderator and Session Speakers
B Surgical Aspects of patients with HF
3:30 p.m. LVAD Management: For the Primary Care Provider Khey Shulz
3:55 p.m. A Case Based Discussion
Owais Malick, MD & Asad Ghafoor, MD
4:20 p.m. Panel Discussion with Moderator and Session Speakers
12:55 p.m. Lunch

Location
Intercontinental Milwaukee Hotel
333 E. Kilbourn Avenue • Milwaukee, WI 53202

Registration
Online Course Registration
New Continuous Professional Development Learning Platform
The CPD Learning platform will allow you to take CME courses offered by Aurora and track your CME credits.

If this is your first time logging in, follow the steps below:

• Open your browser and type in: https://cpd.aurora.org. This will take you to the CPD Learning Platform homepage.
• Once email login is entered, you will click Aurora Login on green banner on top right.
• If prompted enter your Aurora Health Care email and password. If you have logged in before you may automatically be logged in upon clicking on Aurora Login.
• All other users: On green banner on top right, click Visitor Login and enter your username and password.

• NOTE: For a new user, click on Create Account on the green banner on top right. Complete all required fields, and then click on Create New Account at the bottom of the page.

Your information will be stored and you will only have access to it if you have any changes.

To find a course and register
• On the home page then click Courses across the top.
• You can filter or scroll through each course.
• Click on the course name to be directed to the course home page. Follow the directions to register on the course home page.

For registration related questions, please contact Aurora's Continuing Professional Development Office at cpddepartment@aurora.org or at (414) 210-5490.

Information about the course
Contact Laurel Lands at 414-219-7684 or email to Laurel.Lands@aurora.org with course related questions.

Refunds
Course fees include a $25 nonrefundable registration fee. Should you cancel up to 72 hours prior to the symposium, all but the $25 registration fee will be refunded. Refunds will not be given after that time.

Parking
Parking will be in the underground lot under the Intercontinental Hotel. NO PARKING FEES WILL BE COVERED. This helps keep our registration fees low.

Interests and Conflicts of Interest
Under the Ethics in Research and Clinical Care program, the Aurora Health Care system has a policy of disclosing conflicts of interest. It is the policy of the Aurora Health Care system to fully disclose all financial relationships that exist between key faculty and the providers of educational content. The system follows the guidelines of the Accreditation Council on Continuing Medical Education (ACCME), the American Medical Association (AMA), the American Osteopathic Association (AOA), the American Academy of Family Physicians (AAFP), the American Academy of Internal Medicine (AAIM), the American Society for Clinical Investigation (ASCI), the American Association for the Treatment of Tuberculosis (AATT), the Society of Critical Care Medicine (SCCM) and the American College of Clinical Pharmacology (ACCP). As such, the program is designed to decrease any potential conflicts of interest. Faculty and planning committee members must attest that their financial relationships do not affect their ability to present without bias and provide content that is balanced, independent, and objective. This activity is supported by unrestricted educational grants from Medtronic. All other support will be disclosed as part of the appropriate disclaimer. The program is intended for health care professionals, educators, and learners in the behavior health field.
