Information about the course
Contact Laurel Landis at 414-219-7684 or email to laurel.landis@aurora.org with course related questions.

Refunds
Course fees include a $25 nonrefundable registration fee. Should you cancel up to 72 hours prior to the symposium, all but the $25 registration fee will be refunded. Refunds will not be given after that time.

Purpose
This course is designed to present new developments in the field of cardiovascular disorders, as well as their clinical applications, in order to encourage discussion and promote improved patient outcomes in all our practices.

We have chosen topics and presenters to cover the latest in familiar topics as well as map out areas of frontier exploration.

Objectives
At the end of this course, participants will be able to:
1. List the latest treatments in 5 most common vascular problems
2. Interpret the indications for action in treating
3. Compare new treatments in Cardiovascular disease

Target Audience
This symposium is designed for family practitioners, internists, cardiologists and emergency department physicians who diagnose, treat and manage patients with cardiovascular disorders. It will also be of interest to fellows, residents, PA’s, MA’s and other allied health professionals interested in cardiovascular disease.

Elements of Competence
This CME activity has been designed to change medical knowledge and patient care, two of the six competencies embraced by the American Board of Medical Specialties.

CREDIT
Accreditation
Aurora Health Care is accredited by the Wisconsin Medical Society to provide continuing medical education for physicians.
Aurora Health Care designates this live educational activity for a maximum of 6.75 AMA PRA Category 1 credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For a complete listing of Aurora Health Care CME programs visit our website at Aurora.org/CMEActivities.

Aurora Health Care subscribes to the articles of Title III of the Americans with Disabilities Act of 1990. Should you or anyone accompanying you require special assistance, please notify us at 414-219-7684.

Disclosure of Conflicts of Interest
It is the policy of the Aurora Health Care Office of Continuing Education to ensure balance, independence, objectivity and scientific rigor in all of its sponsored education activities. All participating faculty, course directors and planning committee members are required to disclose to the program audience any financial relationships related to the subject matter of this program. Disclosure information along with the presentations are peer reviewed in advance in order to manage and resolve any possible conflicts of interest. All faculty and planning committee members have attested that their financial relationships do not affect their ability to present well-balanced, evidence-based content for this activity. Specific disclosure information for each course faculty will be shared with the audience prior to the faculty’s presentation.

Commercial funding pending and will be announced at the time of the course.
