### Recommended Citation

Acknowledgment of 2018 JPCRR peer reviewers. *J Patient Cent Res Rev.* 2019;6:51.

Journal of Patient-Centered Research and Reviews (JPCRR) is a peer-reviewed scientific journal whose mission is to communicate clinical and bench research findings, with the goal of improving the quality of human health, the care of the individual patient, and the care of populations.

# Acknowledgment of 2018 JPCRR Peer Reviewers

The editors of *Journal of Patient-Centered Research and Reviews* sincerely appreciate all submission reviewers from the past calendar year. Quality assurance of the content published within the journal is largely dependent on the volunteer contributions of these individual experts.
